

### INSTRUCTIONS FOR NAVIGATING THE EVENTIA PLATFORM FOR THE ONLINE INTERNATIONAL CONGRESS OF NEUROSCIENCES

Welcome to the biggest Neuroscience virtual event of the year. Below is a brief guide to navigate the event platform.

1. Click here to access the broadcast page of the event and click on "login".

2. Enter the e-mail address you used to register and click "Log in". You will immediately be directed to the "main stage" as shown in this image:

3. Now, click here to take a tour of the platform.

**Note:** before starting, it is important that you have the "zoom" application installed in the latest version (5.4) so that you can better visualize the simultaneous translation.

Cordially yours,

**Organising Committee**
